SUMMARY

Aspiring Data Scientist with foundational knowledge in data analysis, statistical modeling, and machine learning algorithms. Demonstrated leadership and persuasive speaking skills through academic projects and team activities. Eager to contribute to every company I work with a fresh perspective and strong communication abilities.

PROJECTS

Screen Time Analysis

Vivekanand Education Society of Information Technology • github.com/positronix33/ScreenTime-Analysis • February 2024 – March 2024
• Engineered a screen time analysis tool that tracked usage patterns, providing detailed insights and reducing excessive screen time by 18% among users.

EDUCATION

Bachelor of Technology in Artificial Intelligence and Data Science

Vivekanand Education Society of Information Technology • Mumbai, Maharashtra, India • 2026

CERTIFICATIONS

Statistics Onramp

Mathworks • 2024

Machine Learning Onramp

mathworks • 2024

Machine learning with MATLAB

Mathworks • 2024

Data processing and visualization
